- Electrical Engineering and Information Technology
- Mathematics and Natural Science
- Mechanical and Plastics Engineering
- Social Science
- Social Work

Departments at Campus Dieburg

- Business
- Media

Exchange Student Information:

<https://international.h-da.de/exchange>

Application:

Students wishing to apply for an exchange semester/year need to fill in our online application. A separate nomination from the home university by email is required.

Nomination Deadline:

15th of April for a winter semester or a whole year
15th of October for a summer semester

Academic Calendar:

Summer Semester:

March to July

Winter Semester:

September to February

Departmental Coordinator:

Each of our departments has at least one Departmental Coordinator who will help with academic questions.

Language of Instruction:

German or English (depending on the study program)

Orientation Days and German Language Courses:

During our mandatory orientation, we will guide all exchange students through administrative processes and settling in. Cultural activities as well as a German language class (3 ECTS) are also part of the programme.

Housing:

We offer support and assistance in finding housing. A limited number of rooms in student dorms is available for exchange students.

Estimated Cost of Living – per month:

- Rent 450,00 €
- Electricity 20,00 €
- Health insurance approx. 90,00 €
- Material for study 50,00 €
- Food, Clothing, etc. 320,00 €

On time costs for the semester:

- Administrative Semester Fee 220,00 € (subject to change)
- Housing Deposit 450,00 €

A free bus ticket for buses, trams and local trains in the entire RMV-area (including most of the state of Hessen) is included in the Campus Card.

Short Term Programmes:

With our International Summer University and Winter University Programme we offer two short term programmes in English that focus on different topics. Students can earn academic credits while immersing into the German culture and enjoying a varied programme with company visits, excursions, and many leisure activities.

International Summer University:
